About Us

The journey of Tip Top is a remarkable success that started with a humble beginning in 1991 by a visionary entrepreneur & avowed humanist SH. SURESH CHAND GOYAL , Chairman, TIP TOP FOOD TECH INDIA PVT. LTD. who belongs to Rajasthan with a humble background. The Journey of Pioneering the Food Tech Industry Starts from a Single Room Operation to the Operation in 25 Cities across India.

Initially, recipe mixes were only shared within the broader family but in a very short span of time they gained popularity and orders started pouring in from friends, acquaintances and general consumers. Overtime, the company prospered and Mr. Suresh decided to launch his very own brand, "TIP-TOP" and since then there has been no turning back!

Today, TIP-TOP is a powerful India brand that has presence in over 25 states
